PIANO

ROSER SHINGLE

PIANO SHINGLE provides your house an elegant and luxury appearance with its distinctive engraved embossed design

PIANO SHINGLE is a graceful roofing that adds a distinctive elegance and unique appeal to stylish homes with its bold surface appearance to give you the dimensional effect. Piano Shingle has the heart of steel and an appearance that can blend naturally with all surrounding environment.

Unlike others, Piano Shingle has a unique double side overlapping advantage that fits perfectly for easy installation and less wastage of material. In addition, the overlapping part is designed same as its surface, so the whole roof would look as one unit. Piano Shingle also comes with a wide range of rich colors to match your color preference for an ideal roof.

Roman CLASSIC

**ROMAN CLASSIC, an elegant and romantic Mediterranean-style
stone-coated steel roofing tile**

ROMAN CLASSIC offers a unique and distinctively beautiful roof for modern nobility like you and your family. Roman Classic, an elegant, romantic Mediterranean-style stone-coated steel roof, provides the aesthetic grace of the highest quality European tile combined with the distinguished merits of stone-coated steel roof.

It creates the concept of a noble stone-coated steel roof.

Roman Classic provides the strength of steel with the classic look and beauty of randomly flashed Mediterranean tile. Roman Classic comes in a variety of colors for you to choose from. With Roman Classic tile you have the look of heavy tile without the weight. Roman Classic allows you to design or re-roof without having to structurally reinforce your home.
